

CURIOSITY CREEK

Where Life Flows A Little Easier

A SMALL ESCAPE WITH ENDLESS WELCOME

Curiosity Creek by Metro Development Group is a new community in a naturally beautiful and highly accessible corner of Parrish. Planned to include approximately 1,800 homes ranging from single-family residences to townhomes and multifamily options. Curiosity Creek will feature homes from award-winning builders, designed for those seeking a more personal, connected, and relaxed lifestyle. Future-focused features like solar streetlights and lightning-fast ULTRAFi internet are part of the vision, supporting sustainable, seamless living. Just minutes from I-75 with easy access to Sarasota, St. Pete, and Tampa, Curiosity Creek offers a simpler, more meaningful way to live where comfort meets convenience, and community comes naturally.

A LITTLE OASIS. A LOT TO LOVE.

Curiosity Creek is a uniquely intimate Florida community where everyday life feels like a getaway, not for it's size, but for the way it feels.

SMART HOMES FROM SMART BUILDERS

Curiosity Creek will be home to nationally recognized builders featuring fresh new floorplans for today's lifestyle, both indoors and out.
